Profile

Professional photographer with over two decades of experience, coupled with a real passion for the art. Having worked on over 300 projects which have included special events (weddings, birthdays, High School Proms), drone footage, and creating marketing and promotional images for local companies, I'm able to capture memorable and impactful images that tell a compelling story. My images have been published in national and internal publications and I regularly produce a portfolio of images for the Red Feather Club a local museum of the 8th Airforce based in Suffolk.

Client testimonial

"I have worked with Jon on several occasions on everything from events at the Red Feather Club to drone shots of details on a church tower and not only is he fun to work with he also produces great pictures. He can do everything from action shots to posed portraits and from panoramas to intriguing night skies. I'd thoroughly recommend him and I'm sure I'll be working alongside him again soon – Mike Ager
